Sports Development Junior Programme

The Moray Council Sports Development department are striving to ensure that the activities in our programme act as a catalyst for people in Moray to go on to enjoy lifelong participation in sport. We will continue to work with a range of partners to achieve this including; The Moray Active Schools Team, The Moray Community Sports Hub Officer, Moray Council Leisure Facilities, National Governing Bodies for Sport, Moray College and local sports clubs. At certain sessions representatives from sports clubs will drop in to promote activities that they offer locally with the opportunity to sign up as club members and progress to competitive sport. If you would like more information on Sports Development in the area please call 07966 120515.

****Any household that has taken out a family membership through the Sport and Leisure Facilities section called 'Fit Life' will be able to book their child/ren onto the Sports Development sessions at no extra cost. When booking you will be asked for the main members (parent) membership card number, so that this can be verified in the system as being an active card member, so please have this information at your disposal. Please note that refunds will NOT be given if Fit Life memberships are subsequently taken out after payments have been made. For more information on this scheme, please contact the Business Support Unit on the number above.**

NOTE: 'Fit Life participants must attend 80% of a session block. If this is not adhered to, we reserve the right to cancel the participant's place and offer it to someone else on our waiting list. Parents will be notified before this action takes place.'

- Sports Coaches cannot accept payments at sessions, so please ensure that your place is booked. Numbers are restricted on all activities.
- The activity details in this leaflet contain specified age ranges for each activity. Please note carefully to avoid misunderstandings.
- In the event of insufficient numbers (minimum of 8 registered) sessions may be cancelled. All parents will be advised of any cancellations as soon as is possible before the activity is due to start and refunds will be arranged.
- Parents **must** phone to book children onto sessions prior to attendance as many of our sessions do reach their maximum participation levels. Please do not turn up to sessions if not registered.
- Due to the popularity of our sessions we are unable to accept children on multiple back to back sessions on the same day if it is for the same sport/activity.
- Staff will only be responsible for supervising children within the specified hours. Children should not be left early and must be collected promptly. If parents are happy to allow their children to walk home unaccompanied, please indicate this on the form or relay this when booking via phone.
- If you do not wish your child/ren to be included in any publicity photos/videos, please indicate on the application form or relay this information when booking via phone.
- Please bring a bottle of water or still juice to these activities unless otherwise stated.
- Participants will be able to learn and develop their skills in a fun and relaxed environment at these sessions. All equipment will be provided at these sessions for participants. Please ensure participants wear suitable clothing and footwear.
