Insurance for Community Councils

As a public body, each Community Council is responsible for ensuring that an appropriate level of insurance covers its activities. To assist in this a standard cover has been arranged for all Community Councils by Moray Council. The premiums for this are paid directly to the insurers. A detailed description of the policy is provided to Community Council Secretaries annually but the current policy is noted below.

Any queries in relation to this can be made to the CCLO. A copy of this should be available at each meeting.
