2018

Sports Development Junior Programme

The Moray Council Sports Development department are striving to ensure that the activities in our programme act as a catalyst for people in Moray to go onto enjoy lifelong participation in sport. We will continue to work with a range of partners to achieve this including; The Moray Active Schools Team, The Moray Community Sports Hub Officer, Moray Council Leisure Facilities, National Governing Bodies for Sport, Moray College and local sports clubs. At certain sessions representatives from sports clubs will drop in to promote activities that they offer locally with the opportunity to sign up as club members and progress to competitive sport. If you would like more information on Sports Development in the area please call **07966 120515**.
