

# Moray Resource Centre Day Service

Moray Resource Centre Day Service offers a specialist service for adults with a physical disability which is part of the Moray Council's Health and Social Care Partnership

The day service runs on Tuesdays, Wednesdays and Thursdays and aims to help people build a network of resources to improve quality of life and promote independent living

The service is available to people over the age of 16 years living in the Moray area who have a disability. If you feel you would benefit from a service please contact your Social Worker/Community Care Officer or the Access Care Team 01343 563999 or email [accesscareteam@moray.gov.uk](mailto:accesscareteam@moray.gov.uk) .

## Activities

There are a range of activities available to service users including music, gardening, art, photography and relaxation.

### Platelayers Coffee Shop

The café provides a relaxed atmosphere where people can enjoy healthy food at a reasonable price whilst benefiting from an opportunity to socialise in an accessible and supportive environment.

### Care Inspectorate

The Care Inspectorate regularly inspect the service to help us maintain a good standard of care. Their most recent report is available on request or from the Care Inspectorate website.

### Events

Look on the Moray Resource Centre's Facebook page for up and coming talks and events that are taking place at the Centre
