Note

1. This form is used to make an amendment of building warrant.
2. For staged warrants, the initial submission to the local authority should be made using an Application for Building Warrant Form. For each subsequent stage this form should be used.
3. Any applicant aggrieved by the decision of a verifier to refuse a warrant may, within 21 days of the date of the decision, appeal to the Sheriff by way of summary application.
4. Please see warning below.

WARNING - Please note that approval of amendment of building warrant

- does not remove the need to obtain amended planning permission if that is required (consult the planning authority if in doubt).
- does not alter the original period of validity of the warrant. (See model form C - application to extend period of validity of building warrant).

ANNEX 1

CONVERSION

Any change in the occupation or use of a building which falls into one of the following descriptions is considered a conversion to which the building regulations apply

Change in the occupation or use of –

1. a building to create a dwelling or dwellings or a part thereof
2. a building ancillary to a dwelling to increase the area of human occupation
3. a building which alters the number of dwellings in a building
4. a domestic building to any other type of building
5. a residential building to any other type of building
6. a residential building which involve a significant alteration of the characteristics of the persons who occupy, or will occupy, the building, or which significantly increase the number of people occupying, or expected to occupy, the building

ANNEX 2

CERTIFICATES FROM APPROVED CERTIFIERS OF DESIGN

Please list reference numbers of any certificates from approved certifiers of design which relate to this application, and attach the original signed certificates to this application –

.....
.....
.....
.....

Important Note. A Certificate must be original documents, signed by a certifier fully approved to issue certificates for the matters concerned on the date the certificate was signed.

ANNEX 3

CERTIFICATES FROM APPROVED CERTIFIERS OF CONSTRUCTION

Please list the certification schemes for which you intend to use an approved certifier of construction and provide a certificate to accompany the completion certificate submission.

Scheme(s)

.....
.....

(If known) Please list approved certifier of construction details

| | | | |
|-----------------------|--|---------------------|--|
| Name of certifier | | Registration Number | |
| Name of approved body | | Registration Number | |

Include work types – if applicable to Scheme(s)

.....
.....

Important Notes

1. If the intention to provide a certificate from an approved certifier of construction is not declared on this form, this does not preclude a certificate subsequently being provided with the completion certificate submission.
2. Any person intending to use an approved certifier of construction should check the current status of known firms by using the Certification Register available at www.scotland.gov.uk/bsd
3. Work types for certificates of construction are as below:

Work types apply to the 'drainage, heating and plumbing' scheme and include

- Above ground drainage
- Air source heat pumps
- Below ground drainage
- Biomass boiler installations
- Electrical work to BS 7671 relating to drainage, heating and plumbing
- Gas installations over 70kW output
- Gas installations up to 70kW input
- Ground source heat pumps
- Oil installations up to 45kW

- Solar thermal panels
- Solid fuel installations up to 50kW output
- Unvented hot water cylinder

Note – if after giving notice of intent to use a certifier of construction a certificate from an approved certifier is not provided with the completion certificate submission, the amount of fee discounted requires to be paid to the verifier and may delay the acceptance of the completion certificate by the verifier.
