8. Statement

You must state, in full, why you are seeking a review on your application. Your statement must set out all matters you consider require to be taken into account in determining your review. Note: you may not have a further opportunity to add to your statement of review at a later date. It is therefore essential that you submit with your notice of review, all necessary information and evidence that you rely on and wish the Local Review Body to consider as part of your review.

If the Local Review Body issues a notice requesting further information from any other person or body, you will have a period of 14 days in which to comment on any additional matter which has been raised by that person or body.

State here the reasons for your notice of review and all matters you wish to raise. If necessary, this can be continued or provided in full in a separate document. You may also submit additional documentation with this form.

In making the application we have provided extensive information to support the community interest and sustainability arguments and we see a great many benefits in this going forward. We hope that in the review process the discussion can be widened to include the broader picture and we would be pleased to provide any additional information you feel supports the ongoing discussion

We trust all forms and correspondence previously supplied will be available to the review body and we consider that these adequately present our case

Have you raised any matters which were not before the appointed officer at the time your application was determined? Yes No

If yes, please explain below a) why your are raising new material b) why it was not raised with the appointed officer before your application was determined and c) why you believe it should now be considered with your review.
