Dear Freedom of Information Officer,

I am writing to make a request under the Freedom of Information Act for information held by the council.

Specifically, I would like the following information:

1. Details of all Gypsy/Traveller camps, both authorised and unauthorised, which have been located within Moray since 2007. Please include addresses, dates of location, removal and resident numbers.
2. Details of all emails regarding the removal and potential removal of Gypsy/Traveller camps in Moray both received and sent to former Councillor Douglas Ross between 2007 and 2016.
3. Details of all meetings attended, both within Moray Council and in his role as councillor, by former councillor Douglas Ross regarding the removal and potential removal of Gypsy/Traveller camps between 2007 and 2016.

If this information could be broken down by request that would be very much appreciated. I would also like this information in electronic form, preferably as a CSV file or word document.

If my request is denied in whole or in part, I ask that you justify all deletions by reference to specific exemptions of the act. Please let me know you have received this. If there any problems or you need more information please get in touch.

Yours faithfully,

[REDACTED]

Subject: RE: FOI Request - Gypsy Traveller Camps - 101002627981

Hi [REDACTED]

I'm afraid I can't tell you based on the database as I don't have access to it at home, instead I've been recording my info on an excel file for this year and I'm in the process of backdating all the records on to a master file; we have records going all the way back to 2004, however the records are poor with minimal data, no end dates on encampments and very little information.

I will go in to the annexe on my way through Elgin tomorrow, use the computer I can access the database from and run the reports from the start and see what numbers it puts out?

Otherwise I think you could only reliably take records that [REDACTED] & I have taken, it would be very difficult task to parse through any earlier.

Many thanks,

[REDACTED]

Please confirm if we keep records that would enable us to answer question one below? How far back does the database go? Do we have any other records apart from the database that could provide this information?

Many thanks

Hi [REDACTED]

See FOI request below. Do you have any info regarding Q1? We would have document sets saved for MP enquiries from 2017 onwards but I don't have anything from before 2017 as requested in Q2 and MP himself would have to answer Q3. Can you let me know your thoughts on this one? Deadline is 13 November.

Many thanks.

Hi [REDACTED] and [REDACTED]

Q1 is for Housing, I'm not sure what records Member's Support or Housing would have for the rest, especially as it goes back quite a way, but if you could please check that would be great.

We can also suggest they contact Douglas Ross' office to request his records directly.

Thanks

**Subject:** Traveller data

Hi [REDACTED]

I went in to the annexe this morning to see what I could pull from the traveller database. Sadly not a lot I could do here, though the database does go back to 12/04/04, there's no way to save a digital copy of the report to pull data from which is patchy at best prior to 2010. There's otherwise over 150 pages to print and it would be a monumental task to sift through this, it would take me a couple days at least to put it all together but perhaps it needs to be done for future FOI requests. It shows the limitations of the database at least and if we're to be working from home for the foreseeable future, I won't have access to it anyway.

Let me know if you want me to overhaul the database in to an excel sheet, to be put on sharepoint for all to see and I'll block some days off next week to get it done.

Cheers,

Subject: FOI Request - Gypsy Traveller Camps - 101002627981

Hi [REDACTED] and [REDACTED],

Q1 is for Housing, I'm not sure what records Member's Support or Housing would have for the rest, especially as it goes back quite a way, but if you could please check that would be great.

We can also suggest they contact Douglas Ross' office to request his records directly.

Thanks
