5 If waste is incinerated, which facility is used for the incineration?

[N/A we do not currently incinerate any waste](#)

6 If waste is incinerated, is the residual ash processed for decontamination? [N/A](#)

If yes, which facility is used for this?

If yes, what percentage of the residual ash from incineration goes to landfill and If this is less than 100%, where does the remainder go?

7 What waste is recycled? E.g., Glass, garden, etc.

[See table above](#)

8 What are the Council's longer-term plans to achieve the Scottish Government landfill targets?

[Collection regime and segregated material streams regularly reviewed, along with potential diversion from landfill schemes and available outlets for material diversion](#)

9 How much has the Council spent on recycling programmes over the past 5 years (please provide annual data)

[In accordance with section 17 of the Freedom of Information \(Scotland\) Act 2002 we can confirm that this information is not held.](#)

10 Does your current policy include plans for increased recycling? If yes, what are the targets?

[We aim to achieve the Recycling targets that are set by Scottish Government through increased diversion from landfill, reviewing current recycling opportunities both from kerbside collections and materials accepted within HWRCs, improving current, or introducing new services where required.](#)
