Conditions of carriage

1) Introduction

Moray Council values your custom on our bus services and will endeavor to ensure you travel safely and in comfort on a clean, reliable bus service. This document contains the Conditions under which we carry you and applies to anyone who travels with us.

Our Conditions are consistent with the relevant statutory regulations, including those relating to the conduct of passengers, lost property and data protection. This does not affect your statutory rights.

Conditions may vary on certain services operated on behalf of other organisations. Any variations will be publicised locally.

Please note: we have separate conditions of carriage for Moray Council Local Bus

2) General Conditions

We aim to provide a safe, reliable and punctual service to meet your booked journey. However, there are occasions when booked timings will be rescheduled 15 minutes either side of the original booking time. These changes are common with all demand led transport services, allowing greater flexibility and availability of travel for all customers wishing to use our service. Delays can also occur due to factors outside of our control, such as road works, diversions, exceptional traffic congestion, major events, extreme weather conditions and other unforeseen operating circumstances.

Wherever possible, we will take reasonable steps to advise you of any disruption or delays to services booked. In the event of cancellation, delay, diversion or termination of our service or the service being unavailable to you as a result of the vehicle being fully loaded or for any other reasons, we shall not be liable for losses, damages, cost or inconvenience that you suffer as a result, other than the return of any pre-paid fare for journeys not fulfilled due to the reasons listed above. Moray Council shall not be liable for losses, damages, cost or inconvenience due to customer 'No Show' for any booked journey.

Whilst we will endeavour to make achievable connections with other transport services, we cannot guarantee that our service will connect unless we specifically advertise a guaranteed connection. We do not in any way exclude or limit our liability for death or personal injury resulting from our negligence nor are your statutory rights as a consumer affected.

3) Conduct of Passengers

We reserve the right to refuse you entry, or require you to leave our buses or premises at any time, should we have reason to believe that your behavior jeopardises the safety, security and comfort of others.

When travelling with us you must in particular:

Buses and premises may be fitted with audio CCTV to provide added security for our customers and staff. Appropriate signage will be in place where audio CCTV is in use. All video and sound recordings are used solely for the monitoring of safety, security, service quality and in support of relevant criminal, civil legal proceedings and complaint investigations. Images of you may be provided to the police, DVSA, the Traffic Commissioner or any other enforcement agency at their reasonable request.

Whilst we will do everything we reasonably can to manage conduct of other customers, we cannot be held responsible for their conduct.

4) Boarding and Alighting the Bus

Our Service operates a point to point service, which will not normally pick up and set down passengers at marked bus stops. Our driving team will ensure that all boarding and alighting points selected by customers will be used if safe to do so. If, in the opinion of the driver, the location is unsafe; the driver will select the most suitable alternative that is safe and free from any traffic, pedestrian or any other hazard. In busy areas, certain stops may be allocated to specific locations. You must not:

- Attempt to board or alight from a moving bus or from a bus which is stationary at a point which is not a safe boarding or alighting point, such as traffic lights and road works etc.
- Attempt to board a bus once it has left its designated boarding and alighting point
- Use the emergency exits on any vehicle except in a genuine emergency

In certain areas, access to property can only be achieved by traveling on a private road. As our service only operates on public roads, the bus will stop on request as close to the booked boarding and alighting point on the private road, where it is safe to do so and without entering any private road. You should always pick a point away from parked cars, road junctions, etc. and give clear instructions where the pickup point is.

When you come to alight, you should ring the bell once in good time to alert the driver.

5) Carriage of wheelchairs, small prams and buggies

We are constantly investing in updating our fleet to improve access and space for passengers with disabilities, wheelchair users, disabled buggies, approved mobility scooters and for passengers travelling with young children in small prams and buggies.

Wheelchairs, disabled buggies, approved mobility scooters, small prams and unfolded buggies may only be carried on suitable accessible vehicles. All our buses are wheelchair accessible, please ensure that when booking our service, you state any accessibility needs to ensure that the most suitable vehicle is selected to facilitate your journey.

Subject to space being available and the discretion of the driver, we will carry small prams and unfolded buggies on buses within the designated area but only when it is not required by a passenger

Dial M for Moray

in a wheelchair or approved mobility scooter (passengers in wheelchairs have absolute priority by law). Prams and buggies must not block the aisle of the vehicle at any time.

You are required by law to ensure that the designated wheelchair space is made available if a customer wishes to board with a wheelchair (or, if no wheelchair user is travelling, a disabled buggy or approved mobility scooter). You are required to co-operate in allowing proper use of the designated wheelchair space by vacating this space if it is required by a customer in a wheelchair (or, if no wheelchair user is travelling, a disabled buggy or approved mobility scooter) including repositioning small prams, folding any buggies and storing them in the luggage space.

Failure to comply with this requirement will comprise a breach of Section 3 above and may lead to further action as set out in that Section.

Detailed guidance on accessing our services with a wheelchair, a disabled buggy or an approved mobility scooter is available by telephone from Moray Council Public Transport Unit 0300 1234565. Moray Council has adopted the Confederation of Passenger Transport (CPT) Code of Practice for the use and acceptance of mobility scooters on low-floor buses. The Code sets out standardised procedures, as well as clear information regarding the types of mobility scooters that can be accommodated on buses, to help operators ensure that mobility scooters are able to safely use our service.

The Code provides for approved mobility scooter users to be issued with a permit for travel that will allow the bus driver to recognise that the mobility scooter has been approved by Moray Council and the user has been trained in how to safely board and alight from the bus.

6) Breastfeeding

We are fully supportive of a mother's right to breastfeed in public. Mums who wish to breastfeed are welcome to do so on our bus service.

7) Carriage of bicycles

Non-folding bicycles are only carried on a very limited number of buses specifically modified for the purpose. Generally, bicycles may be carried at the owner's risk, where there is space and an ability to secure during travel. When booking please state that you intend to travel with a bicycle so that the most appropriate vehicle can be allocated to support your journey. Alternatively, call Moray Council Public Transport Unit on 0300 1234565 and discuss potential travel option before booking journeys. Non-motorised scooters will not be carried.

We cannot be held responsible for any loss or inconvenience to you if you are refused travel under these circumstances.

Our liability for luggage is limited to £50 per passenger and you are advised to ensure that you have proper insurance if your luggage is worth more than this.

We will not be responsible for damage to such items however caused.

Paint may only be carried in original and properly sealed containers of 5 litres or less.

Certain items cannot be carried under any circumstances in the interests of safety. These include accumulators, explosives, ammunition, weapons and combustible or otherwise hazardous materials including petrol.

9) Animals

One accompanied, well-behaved dog or other small animal which will not be a danger or a nuisance for other customers or our staff is allowed to travel with you on our buses at the discretion of the driver. The driver may reasonably decide where on the bus the animal is best carried.

Where appropriate, dogs must be muzzled or put on a lead in accordance with the Dangerous Dogs Act. Small animals must be caged, boxed or kept on a lead. Any animal carried must remain under control and must not be allowed to sit on the seats. If you bring an animal onto a bus, you will be held responsible for any damage, loss or injury arising from its presence on the bus.

If the lost property is contained in a package, bag or other container, we may open it and examine it in order to trace the owner or identify the nature and value of the lost property.

To reclaim lost property, you should contact Moray council on 0300 1234565 and provide details of your booking, date and time of travel on which the item was lost. Under normal circumstances, you will need to collect the lost property from the Moray Council Access point where the lost property is being stored. You will need to pay the cost of postage and packaging in advance if we agree to post the property back to you. Our arrangements comply with the relevant legislation.
