Potholes attended to at Broom of Moy

Following a complaint from a member of the public and subsequent email discussion regarding the paths and grass cutting and general upkeep of the cemetery, SA visited the cemetery to ascertain the current position. At that time the grass was cut and grass at the headstones appeared to be strimmed. As SA couldn't find the paths causing concern, he invited the complainant to meet at the cemetery so the area could be highlighted and chat about solutions. The complainant didn't follow up this offer, so the matter is now considered closed.

JD advised that a resident of Kintessack will be interested in joining the DLCC.
