

FOI Funeral Statistics 101003250049

Please note that our burial ground stats are collated for the burial year April to March and not the calendar year. Also we collate the number of full interments separately from the ashes interments but the ashes figure does not reflect the number of cremations in the area. The crematorium would be best to contact for that.

YEAR	BURIALS	ASHES
2015/16	604	109
2016/17	528	94
2017/18	526	103
2018/19	525	113
2019/20	524	91
2020/21	509	60
2021/22	575	86
