

**FOI Request - Car Parking Bay Sizes - 101003480504**

1 ["Moray Council Parking Standards" available at http://www.moray.gov.uk/downloads/file79871.pdf](http://www.moray.gov.uk/downloads/file79871.pdf)

Each standard car parking space should measure no less than 2.5 metres by 5 metres.  
 Disabled parking bays should have a minimum bay size of 4.8 metres by 2.4 metres for the parked vehicle with additional manoeuvring space of 1.2m on either side of the space and to the rear of the space.

1a)	No plans currently to enlarge the standing parking bay size in our car parks.	
-----	---	--

2a)	Year	No of ECNs issued for parking outwith the lines of the bay
