

CLASS DESCRIPTIONS

Fit Class Boxercise is an exercise concept based on the training methods used by boxers. This will typically involve punching pads and is a fun, challenging and safe workout which is great for stress busting. There is also an element of cardio involved too. We welcome all levels of fitness and ability to our 45 minute class. Participants must be 16+

Fit Class Indoor cycle class is a high-intensity exercise on a stationary bike. It combines cardio & endurance in a 30/45 minute calorie-crunching session. Not only great for giving you all the cardiovascular gains but it's great for toning muscle as well. Participants must be 16+

Fit Class Circuits training class is a workout that involves 6 or more exercises that are rotated. Targeting different muscle groups in a short amount of time. These include cardiovascular, resistance & weight training, this is to ensure you get a balanced workout.

Fit Class Zumba class combining Latin & international dance moves to music. These dance routines will incorporate interval training, alternating fast & slow rhythms to help improve your cardiovascular fitness. It's like a party! & everyone is invited.

Fit Class Learn to lift an introduction to exercises & practices with bar weights, to help improve strength & endurance, reducing the severity of sports injuries. This class is designed to develop muscular endurance.

Fit Class Barbell conditioning class involving bar weights which will help burn fat, define, tone & shape your body in all areas & will also improve your posture & burn calories. Participants must be 16+

Fit Class Stretch, core & stability class involving elements of yoga, Pilates & Tai chi. this class will help you improve your flexibility, build strength & leave you feeling relaxed & calm.

Fit Class Aqua-fit is a type of resistance training done in the water and a total body workout that is easy on the joints. Great workout for anyone suffering with joint pain. Fun & engaging workout to fantastic music.

Fit Class Cardio & core a complete workout combining aerobic & strength training which will help in reducing body-fat & increase your strength & endurance.

Fit Class Stretch & flex working on your flexibility & core strength. The class stretches out your entire body leaving you refreshed & relaxed just the thing you need after a hard day!

Fit Class Kettlebells class is a high-intensity-ballistic workout with weights with handles, it combines various compound exercises including "the swing", "the clean" & will work on multiple muscle groups. Participants must be 16+
