Buckie High	4%	Speech and Language provision is a NHS Scotland service and not a school based service. Schools refer pupils to the service when necessary.	Service pupils would be referred in the same way as non-service pupils.	Schools follow all SALT guidance to support any pupil with a speech difficulty, including stammer. If moving school, then contact is made to pass on all information and records. Parents are advised to inform the SALT service here of the move and to advise on any known contacts.	Pastoral / health and school notes are passed on if a child moves including detailed information from the class teacher and support for learning staff on interventions, adjustments and approaches to best meet the needs of the child.
