Are you a tech enthusiast, aspiring musician or just curious about the digital world?

Come along and join our FREE, action packed We Are Digital Open Day where you can discover tools and services to get online, stay safe, and connect with your community. Enjoy fun digital activities, learn about local resources to reduce isolation, and explore career paths and mental health support. Perfect for all ages, this event highlights how digital solutions enhance healthy aging and independent living.

Don't miss this chance to delve into the digital future!
