Section 5 - Service Level Outcomes - 5.5 Community Safety

Action Code	Action Title	Priority	Desired Outcome	Due Date	Latest Status Update	Progress	Status Icon
EGD24-25 5.5.1	Prepare community safety response plan incorporating recommendations from agreed Annual Community Safety report	1	Reduce the number of anti-social behaviour referrals Achieve outcome measures set out in community safety response plan Milestones - Prepare Community Safety Response plan - August 2024 Finalise submission to Committee - November 2024	31-Mar-2025	The Community Safety response plan has been drafted and is currently progressing through Community Planning Partnership prior to submission to committee. However, revisions may be required depending on the resources available to deliver the plan with recruitment to the previously agreed new Community Warden posts proving challenging and the process is currently on hold.	25%
