

# Consultation on polling district and place arrangements in Moray

The current arrangement of Moray polling places and the districts they serve requires to be reviewed in accordance with the law and some changes may be proposed.

The Council must ensure that all electors have reasonable facilities for voting and that arrangements are as realistic as possible. We must also make sure that, as far as is reasonable and practicable, the polling places are accessible to all electors.

## Where to find information about the review

Copies of the **current** polling districts, polling places and other supporting information can be viewed at the Council's Information Hubs located at:

- Aberlour Library
- Buckie Library
- Burghead Library
- Cullen Library
- Dufftown Library
- Elgin Library
- Forres Library
- Keith Library
- Lossiemouth Library
- Fochabers Library
- Tomintoul Library
- Alternatively, you can access and download any of this material from the Council website at [www.moray.gov.uk/elections](http://www.moray.gov.uk/elections)

If you do not have internet access, the material can be accessed online from any of the above libraries. If you require the information in any other format please contact the office using the details below.

## How to respond

Please let us know if you have any comments about your current polling place. If you are not happy with your polling arrangements it would be helpful to us if you could suggest an alternative polling place in your area that we could then consider further.

Any comments to be returned by **Friday 7 March 2025** and you can respond by completing the online survey [here](#).

## What happens next

Any comments received will be reviewed against our current arrangements. Thereafter we will further consult on any proposed changes to polling places and districts across Moray.
