Community Councils

Who we are

Moray Council, Council Office, High Street, Elgin, Moray, IV30 1BX, moray.gov.uk 01343 543451, is a Local Authority established under the Local Government etc. (Scotland) Act 1994. We are the Data Controller of the personal data being collected.

Why we are collecting your personal data

Moray Council has a statutory duty under the Local Government (Scotland) Act 1973 to introduce Community Councils within Moray; the Act also outlines arrangements including meetings, elections, boundaries and finance. The Council also has obligations to support and consult with Community Councils.

Your name and address will be collected if you sign a petition to create a Community Council.

Community Councillors

If you stand for a place on a Community Council, your name, contact details (address, telephone number and email address) and eligibility to stand (verification that you are on the electoral roll) are collected. This personal data will also be used to:

- communicate with and between Community Councillors
- publish public notices in respect of Community Council elections
- maintain Council records
- publish names of Community Councillors on our Community Councils webpages www.moray.gov.uk/CommunityCouncils so Moray residents know who their Community Councillors are.
- publish contact details for a nominated contact person for each Community Council, so organisations and members of the public can get in touch about issues/concerns (we recommend that this is a generic community council email address).
- provide membership details of Community Councils (including names, addresses and contact details of Community Councillors) to other public bodies, other Community Councils or Community Councillors and third parties.
- send you information and updates about issues/changes affecting your community.
- ensure appropriate people have signed the Community Council's Constitution and financial accounts.

Community Council Meetings – Agendas and Minutes

Meetings of Community Councils are considered to be public meetings, and the minutes are public records. Meeting minutes are published on the Council's Community Councils webpages. Names of those who attended a Community Council meeting are recorded within the meeting minutes. Members of the public may ask the relevant Community Council to remove their names from any minutes in which they appear.

Where agendas and minutes are provided to the Council for distribution in public offices and libraries, in line with the duty of Community Councils to ascertain, co-ordinate and express the views of their community, the Council may keep these minutes and agendas permanently in the Council's Archives.

Community Council Resilience Groups

If you have opted to join a Community Council Resilience Group, your name, contact details and any areas of expertise or assistance that could be utilised in an emergency situation will be collected. If a situation arises, this information may be shared with Moray Council and other support agencies.

Community Council Annual Administrative Grants

The Council has the power to provide appropriate levels of funding and support for Community Councils in its area. A decision to award a grant will only be made when the Treasurer of a Community Council submits their annual accounts, which have already been approved by their Community Council. The annual accounts or covering statement will contain the name, address, and email address of the Treasurer, and the name and address of the independent examiner. The Council will assess the annual accounts to calculate grant entitlement.

On occasion we may collect personal data about you from another source, for example from the Secretary of your Community Council.
