

FOI Request - Complaints Relating to Seagulls - 101003982584									
2025/26									
Date	Address	Nature of Complaint							
04/04/2025	Elgin	Customer reported her neighbour above feeding the seagulls which is attacking/swooping at customer and her dog.							
15/04/2025	Lossiemouth	"I have seagulls building a nest in my roof and looking to see if I can get a licence to get it removed. Throughout the holidays the seagulls have tried to attack my children whilst they were out playing. My girls and their toys are being covered in poop when they dive bomb them. "							
25/04/2025	Elgin	Called as seagulls are nesting and divebombing on the council garages opposite house. Has said as per website we have responsibility to resolve the issue as council building. Please call when possible.							
30/04/2025	Buckie	Seagulls nesting on roof							
02/05/2025	Elgin	Customer wondered if you can remove a seagulls nest before there are eggs.							
07/05/2025	Mosstodloch	Customer called to request if the seagulls nest can be removed. Customer said the seagulls are swooping and her AHO told her to report it.							
12/05/2025	Lossiemouth	Tenant has reported there is a dead seagull in a nest on her roof which is now causing flies and other public health issues.							
12/05/2025	Lossiemouth	Customer (elderly tenant) reported a seagulls nest on her roof. No chicks.							
12/05/2025	Lossiemouth	Customer called to report a seagulls nest on the ground next to the fence. The neighbour is registered blind and uses a walker. There is no eggs yet.							
13/05/2025	Forres	Tenant reported nests on her roof, doesnt think there are eggs in them yet. Explained that dead birds could be removed and that dive bombing could be looked at if required and for vulnerable tenants, Multiple nests around gas flue							
13/05/2025	Lossiemouth	Seagulls nest around flue							
16/05/2025	Buckie	Tenant reported there are 8 gulls on her roof in the chimney, and they have been dive bombing her. She has asked for something can be done.							
16/05/2025	Lossiemouth	Customer (elderly tenant) reported a seagulls nest on her roof. No chicks. Unsure if nest is empty							
19/05/2025	Lossiemouth	Nesting seagull in front garden and one on the rear roof adjoining, this is preventing works being carried out as it is a safety risk for contractors installing wall insulation							
21/05/2025	Lossiemouth	Yesterday OVO were out to upgrade her meter and they gave her an at risk notice due to the location of the nest at the flue. Seagulls have rebuilt nest in the same place							
21/05/2025	Elgin	Cornerstone called as they have a seagulls nest in elgin, it is all adults with disabilities at the addresses and concerned for their safety							
21/05/2025	Mosstodloch	Called as disabled tenant who has undergone surgery has seagulls swooping at people on the street as nest. Also has young grandkids							
21/05/2025	Lossiemouth	Customer lives in block of flats which contains a couple of council properties. A seagull has nested on the ground, she has had an egg and is now protecting it, being aggressive already							
29/05/2025	Lossiemouth	Called as seagulls are nesting on her roof and also a nest between neighbours. Tenant has said that she can't dodge them when swooping. Nest was removed but has been built again on the chimney							
02/06/2025	Elgin	Gulls dive bombing car seat with newborn baby in everytime they leave house. Unable to use PPE as carrying seat. Nest on council owned property							
04/06/2025	Mosstodloch	Two young chicks fell out of nest ino front garden. Adult gulls attacking anyone nearby. Tenant unable to safely leave home							
16/06/2025	Elgin	Customer reported dead seagull in their garden. Advised can be disposed of by wrapping up and putting in green bin but he is concerned about touching it due to bird flu or it being used for research. He wondered if it could be uplifted for them.
