Seagull - Nuisance	Lossiemouth	08/04/2026	Seeking advice on the use of a low-power laser seagull scarer, designed to deterbirds without causing them physical harm -and whether a Licence/permission is required.Specifically:1. Whether there are any local bylaws or regs under the Wildlife andCountryside Act 1981 (or other relevant legislation) that would prohibit theuse of such a device on my property, particularly during breeding season.2. Whether MC have any specific guidance on the responsible use of laserscarers in a residential area (e.g., avoiding disturbance to neighbours orother wildlife).
