MORAY COUNCIL SWIMMING POOLS Keith Swimming Pool

CUSTOMER INFORMATION ADMISSION POLICY FOR YOUNG CHILDREN

Introduction

You are advised that in line with National Industry Guidance the undernoted admission policy is in operation at the above facility.

All children under the age of 8 must be accompanied in the water by a person who must be aged 16 years or over. This person can be responsible for up to 2 children under the age of 8, regardless of whether the children can swim or not.

Persons responsible for children are reminded of their duty to remain in full contact with them at all times during their visit to the pool. Children who are non-swimmers or weak swimmers should not be allowed more than an arm's length from their parent / guardian and must stay within the designated shallow-end area (see over for details). If for any reason a child must be left for a short while you must make temporary alternative arrangements, to the satisfaction of the staff.

If you wish to discuss any of the above, please do not hesitate to contact me at the number below.

Thank you for your co-operation with this important safety issue and for your continued support of the pool.
