Dear Mr Duff

**REF Road Safety, Walkers Crescent, Lhanbryde**

Diana Anderson informed me that you are now dealing with enquiries previously dealt with by Gordon Holland and I have enclosed my last letter to him for your reference.

There has been another serious incident of which I wanted to make you aware. A group of boys came down the path on their bikes and I only to avoid them because I come round the corner to the entrance of our drive and the footpath very slowly. I suspect most other drivers would have ploughed straight into them.

Once again I would ask that the Council reconsider erecting a simple swing gate at the bottom of the footpath, as there is at the other side of the network, before someone is seriously injured.

I look forward to hearing from you.

Yours sincerely

Moirra Gillespie
