

APPENDIX C QUESTIONNAIRE

Elgin Traffic Management Programme

Public Consultation on Western Distributor Road Options

Thank you for your interest in this project. The aim of this public consultation process is to gather views and comments on the four potential options for upgrading the road network in and around the south and west of Elgin. Please take some time to view the information boards before filling in the questionnaire. This can also be completed online at the following address (www.moray.gov.uk).

The deadline for receipt of completed questionnaires is Sunday 6th February 2011. The address for return either by post or by hand is:

Jacobs Consultancy
c/o Council Offices
Academy Street
Elgin
IV30 1LL

Please answer all of the questions. There is a comments section at the end where you can add to any answer and/or provide further comments that you may have.

Q1. Are you completing the questionnaire as an individual or on behalf of a group or organisation?
Please tick one of the boxes.

- a. Individual
- b. Group or organisation

If b then please state the group or organisation. _____

Q2. Please state your name, address and postcode.

Why do you need my name and address?

It helps us understand where there are particular localised concerns, support or issues with the options. It is difficult to place weight on anonymous responses.

Personal details will remain private and confidential and are subject to the Data Protection Act 1998

Q3. Where did you view the public consultation exhibition? Please tick one answer only.

- a. In person at Elgin Library
- b. On-line on the Council's website
- c. Both
- d. I didn't view the exhibition

Q4. To what extent do you consider traffic congestion in Elgin affects you at present? Please tick one answer for weekday and one answer for weekend.

- | | Weekday | Weekend |
|---------------------------------|--------------------------|--------------------------|
| a. Never | <input type="checkbox"/> | <input type="checkbox"/> |
| b. Rarely | <input type="checkbox"/> | <input type="checkbox"/> |
| c. Occasionally | <input type="checkbox"/> | <input type="checkbox"/> |
| d. Regularly at certain times | <input type="checkbox"/> | <input type="checkbox"/> |
| e. Regularly throughout the day | <input type="checkbox"/> | <input type="checkbox"/> |

Q5. Please tick one answer in the following question. Read the following statement. *"The current road network in Elgin will be capable of dealing with future transport demands."* Do you:

- a. Strongly disagree with this statement
- b. Disagree with this statement
- c. Agree with this statement
- d. Strongly agree with this statement
- e. Have no opinion on this statement
