N.B. DO NOT SCALE DRAWINGS

Contractor / Manufacturers to check all site measurements and profiles prior to ordering and/or manufacturing components. Any discrepancies must be brought to the attention of the Architect. Do not scale dimensions from drawings.

If any deviations from the approved Building Warrant drawings take place on site further Architectural services may be required. In the first instance the contractor should check with Building Standards if an Amendment of Building Warrant is required and thereafter, the matter referred back to the Architect for re-submission.
