Dear Sir or Madam,

**Your Reference: MLRB076/Ack – Planning Application: 12/01696/APP**  
**Whinnyhaugh Farm, Burnside Road, Garmouth**

Further to my letter dated the 7<sup>th</sup> March regarding the above appeal process.

Having viewed the photographs submitted by the Agent of Mr. Boyne I am of the opinion that they are misleading. They do not appear to have been taken from the position of the proposed wind turbine i.e. they have been taken south of the proposed site and in a lower part of the field. The direction of the photographs are totally wrong i.e. they do not know the north from the south or the east to the west. If these basic details are incorrect I wonder what other information in the application is incorrect.

Yours sincerely,

**Thomas Peat.**
