FORM CC5

**Roads Construction Consent
Application for Reduction in Bond Form**

On completion of the carriageway binder course and kerb log to the satisfaction of the Local Roads Authority's Representative a written application may be made for a reduction in Road Bond to 50% of its value. Application must include cctv survey of surface water drainage system to be adopted by the Roads Authority.

On completion of the carriageway, footways and cycle tracks to prospectively adoptable standard a written application may be made for a reduction in Road Bond to 20% of its value.

On completion of the carriageway, footways and cycle tracks to adoptable standard a written application may be made for the 12 month maintenance period to commence and for a reduction in Road Bond to 10% of its value.
