7. Theme of Next Meeting

The theme picked for the next meeting was “**Self Directed Support**”.

9. Any Other Business

Other possible themes discussed were -

- Public Transport
- Community Activities
- Housing

Main points from discussion around SDS -

- Passionately embrace SDS and not be scared of it.
- A Halfway house that allows parents, carers, staff and service users to see how it works and gives the service user independence and confidence to parents as well.
- Gradual process to move service user into supported accommodation.
- Somewhere where service users can have temporary residency and get help with life skills to help them to independent.
- Respite flat set-up at Moray Street was supposed to be set up for the purpose to help service users with life skills
- Everyone will have SDS package and this will be tailored to individual requirements but will also have housing benefits and maybe other benefits. Only difference is who they want to live with, where they live and this is us trying not to stand in their way so wont be any less money will just be divided up in a different way.
