**Subject:** Notice of Review re planning application 14/02088/APP

Dear Mr Westmacott

I gather a notice of review has been sent by post to my home address - unfortunately, we are away in Spain at the moment so did not realise it had come in.

I have a couple of points to make as the exit from the lane on to the B9010 still gives me concern:

1. The photograph of the two cars together has been very cleverly taken as there is definitely NOT room for two cars to pass under normal circumstances. There is also farm traffic and lorries using the lane as well.
2. The photograph looking left was taken by the driver having got out the car to the very edge of the main road, not as would normally be the case if he was sitting in his seat in the car.

Yours sincerely

Ian Dawson
