

About Scottish Welfare Fund Crisis Grants and Community Care Grant

The Scottish WELFARE FUND

If you are on a low income or benefit you might be able to get help from the Scottish Welfare Fund even if you get other benefits.

A **Scottish Welfare Fund Crisis Grant** can help if you have an emergency or are in a crisis and need to pay for things.

A **Scottish Welfare Fund Community Care Grant** can help a person or family to stay at home instead of going into care.

It can also help people leaving care. You may be able to get some important things like a cooker or a bed.

You may also be able to get this help if you have been in prison.

The Fund can give out **vouchers** or **money** or **things**.

To find out if you can get help from The Scottish Welfare Fund, contact your local Council. You can find the phone number by searching for Welfare Fund on your Council's website.

Or you can find a list of Council phone numbers and more information at this website:
